

Whittle & Spark Keeping Warm & Dry

At forest school we get weather!

So we wear warm clothes

...of all kinds

we put on tights or leggings:

a warm vest & thick warm socks.

we pull on over-trousers and waterproof trousers.

hats
gloves

Warm coat

we pull on lots of layers of wool or fleece.

warm jumper under Waterprofs.

wellies

happily - whatever the weather.

Then we can stay out and play

Thank You
